THE GREEN TEAM

Calling all Green Lake and nature enthusiasts:
The Green Team is ready to embark on
another year of free, fun-filled, educational
activities. Are you?

Each year, volunteers and staff from
the Green Lake Association, Green Lake
Conservancy, Green Lake Sanitary District
and the Green Lake School District plan
an action-packed year of events for our
communities to enjoy.

Celebrating their 10th year, the team's
mission is to get families, community
members and visitors to explore the special,
unusual and often unknown natural features
within the Green Lake area.

From water-based activities like paddling
the Puchyan River and stream sampling
Hill Creek, to land-based events at various
Conservancy sites and local farms – there's
an event fit for every explorer.

We hope to see you out enjoying beautiful
Green Lake!

To view calendar details, register for
events and stay up to date on event
details, visit the Green Lake Association's
event page at <http://bit.ly/2q3CQhL>.
